STATEMENT FOR MEDIA

February 03, 2014

I am fortunate that the State of Jharkhand provided me an opportunity second time to represent the State in the Rajya Sabha. I am grateful to the Jharkhand Bhartiya Janata Party and its office bearers as well as the legislators of the party, who stood behind me and supported my nomination as an independent candidate. I am also thankful to the All Jharkhand Students' Union (AJSU) Party and its office bearers as well as the MLAs for extending their support to me in my nomination.

I am sure, I will continue to receive the same amount and kind of love, affection and support during the period of my second innings as the Member of Rajya Sabha from Jharkhand. I have had several of dreams for better Jharkhand. I wish, the young Jharkhand can turn into a special Jharkhand and obtain its place in first few developed and prosperous States of India. It will be my earnest endeavor to contribute my mite in our combined efforts to develop and reshape better Jharkhand in the days to come.

In short, I put on record my sincere appreciation to the leaders of the State and the people at large who by and large accepted me as their nominee to the Rajya Sabha. I will fail in my modesty if I don't mention the print and electronic media for projecting my work as a parliamentarian in right perspective. This made me acceptable in the society at large in Jharkhand.

Johar Jharkhand!! Jai Hind!!
